Search: The Search screen allows you to browse the library's CloudLibrary collection of eBooks and eAudiobooks, as well as search for a specific title or author.

a) The **Featured** tab will show you New Arrivals to the collection.

b) The **Favorites** tab will show you categories you have set as favorites. You can also **Set up your reading preferences**.

c) The **All** tab will show you all of the titles available in the collection organized by topic (Romance, Historical, etc.).

d) You can filter the results by using the **Filter icon** at the top right corner of the screen.

e) You can also choose the categories you want to see by pressing on **Adult / Fiction <**

f) If you are looking for a specific title or author, use the **Search bar** at the top of the screen and enter a title or author.
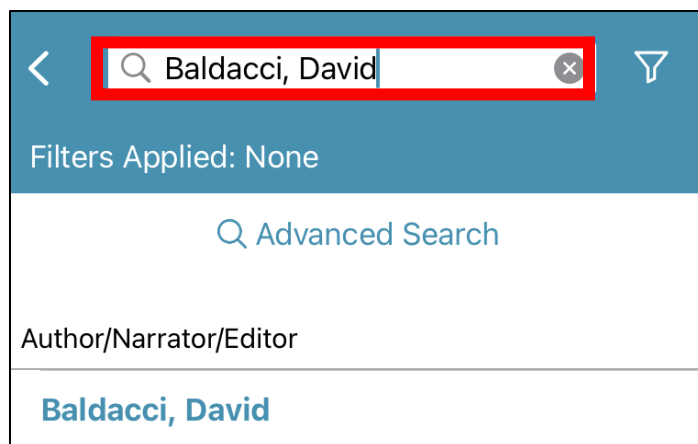

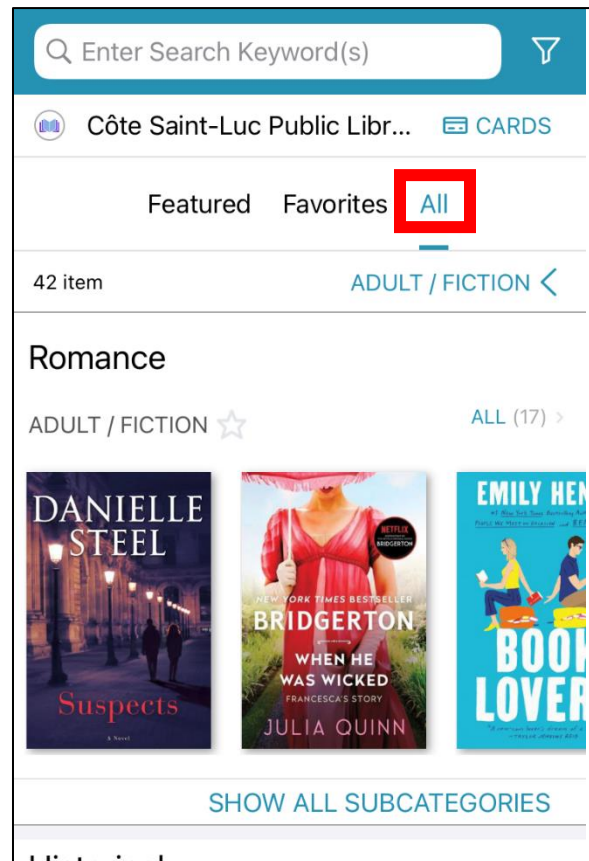

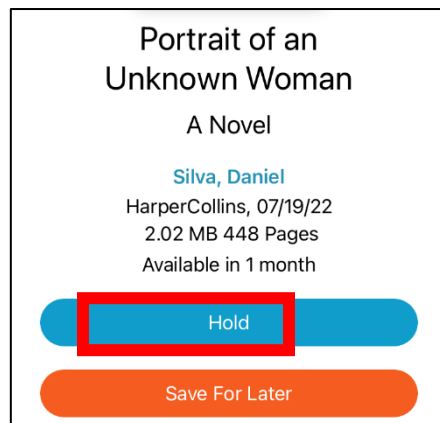

Borrowing a title

1) Once you have located your title of choice, you can borrow it by pressing **Borrow.** It will be checked out to your for 21 days and automatically returned after that time.

2) If you notice a headphones icon at the corner of the book jacket, this means that the title is in Audiobook format.
