

## Getting started with the Kanopy app (Apple devices)

### Step 1: Download the Kanopy app on your device

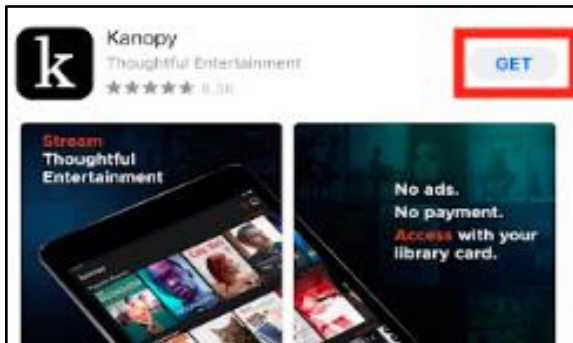

- 1) From your home screen, tap on the **App store** → 
- 2) Tap on the **Search** option from the bottom right-hand side of the screen.

- 3) In the search box, type in **Kanopy** and tap the search button on your keyboard.

- 4) Locate the Kanopy K logo and, on its right, tap **Get**. (You may need to enter your Apple ID and password or use fingerprint ID or facial recognition to authorize the download).

- 5) Once the app has downloaded, tap **Open**.

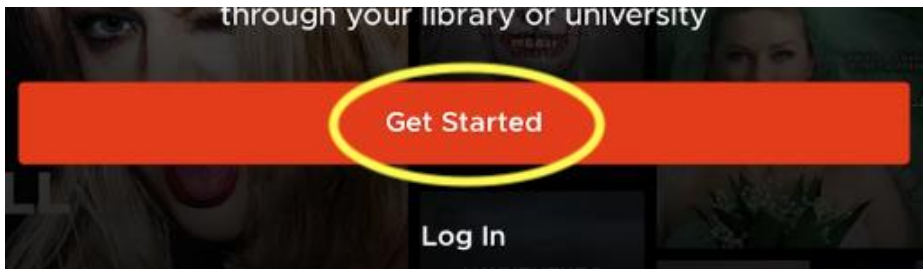

**Step 2: Create your Kanopy account using your library card**

- 1) In the Kanopy app, press **OK** to allow Kanopy to use bluetooth to cast your screen to your TV or other devices. You may also select **Don't Allow**.

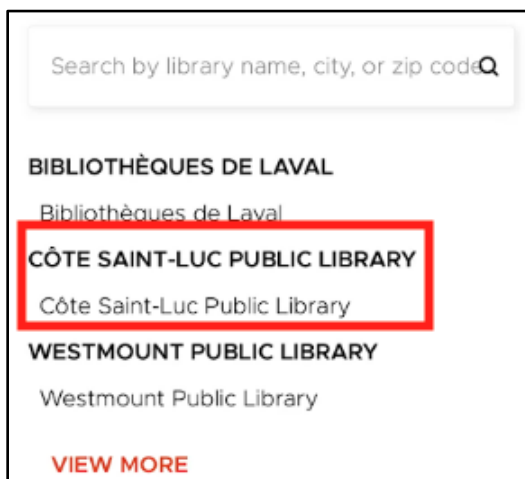

- 2) Select **Get Started**.

- 3) Select **Find Library**.

- 4) If your location services are on, the app will automatically locate the closest library. If not, you can search for **Côte Saint-Luc Public Library**. Tap on our library's name and tap **Select this Library**.

- 5) Select **Next** to add your library card.

STEP 3 OF 4  
**Add Your Library Card**

Use your Côte Saint-Luc Public Library login to connect with Kanopy.  
This might be a student or faculty ID, or email and password provided by your university.

Next

- 6) Enter your **last name** and your 14-digit **library card number** and tap **Login**.

Please enter your name / Entrez votre nom:

Please enter your barcode number / Entrez votre code à barres:

Login

- 7) To create your account, enter your **first and last name**, as well as your **email address**. Create a **password** and tap **Sign up**.

### Step 3: Browse or search for films or movies

- 1) In the Kanopy app, you will see the menu at the bottom of the screen. Scroll through the **Home** page to see the featured categories of films.

- 2) To browse by genre, tap on **Browse** from the bottom menu.

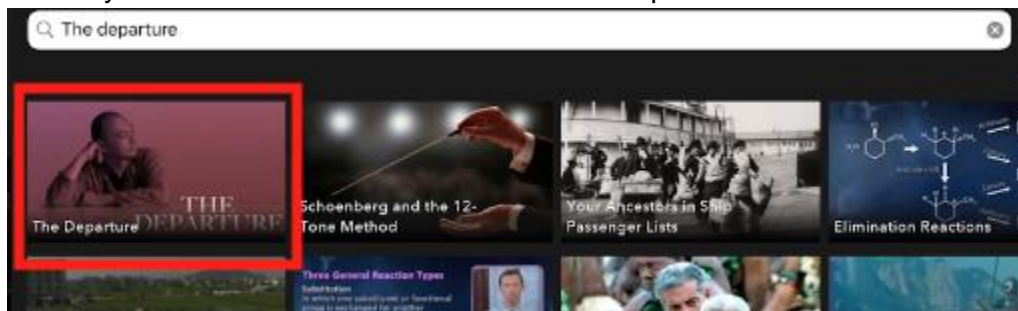

- 3) To search for a specific film, tap on the **Search** option from the bottom menu.

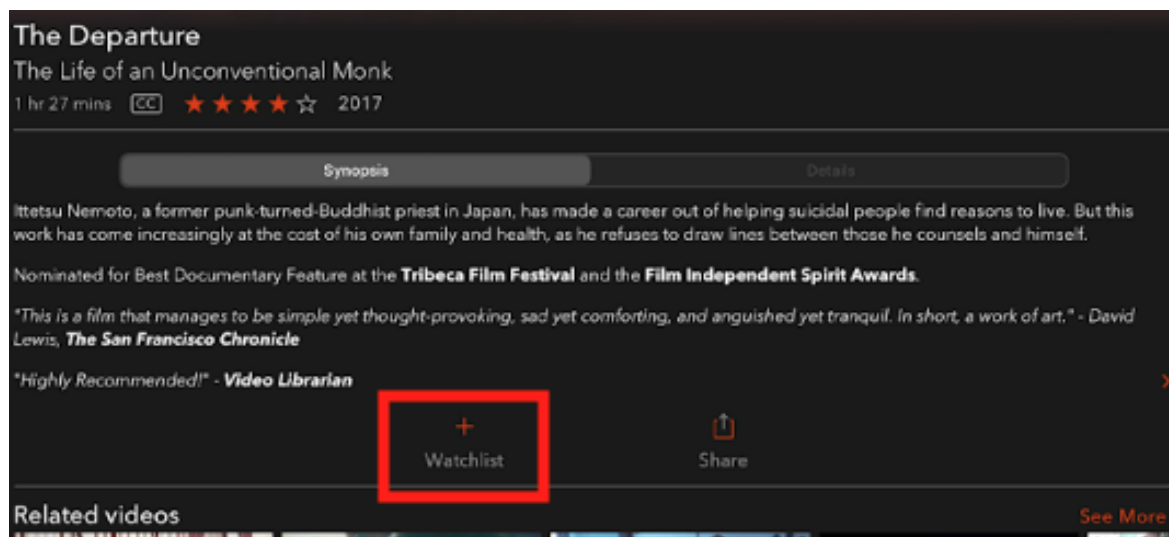

- 4) Type in the name of a movie in the search box at the top and tap **Search**.

- 5) Locate your desired movie from the results and tap on it for more information.

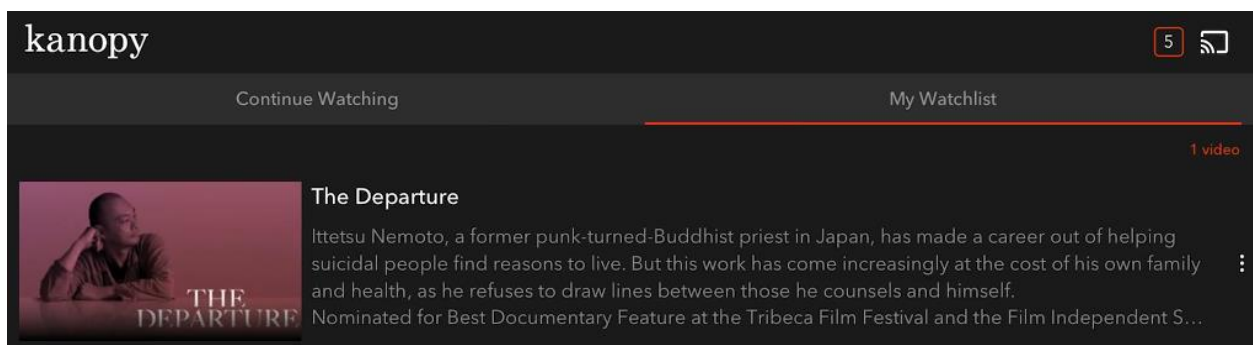

- 6) Here you will see a synopsis and any other details. If you don't want to watch it right away, you can add it to your **Watchlist**.

- 7) Press the **play button** to play the movie. Remember, you can play a total of 5 movies per month. The number of credits you have left will be shown at the top right corner of the screen.

- 8) Tap on **My Lists** from the bottom menu to see the movies or shows you are currently watching, as well as your watchlist.

- 9) For more information about your account, tap on the **More** option from the bottom menu. Here you can view membership information and log out.
