

Getting Started with the *Mango* app on your Apple device

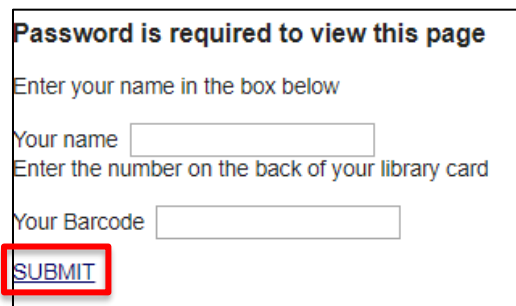

Mango is an online language learning system that can help you learn a foreign language.

Step 1: Sign Up to Mango

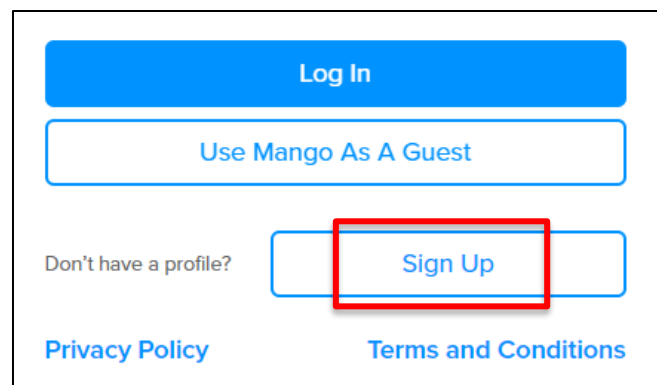

- 1) Visit <https://csllibrary.org/ebooksandmore/> and tap on the **Mango** logo 

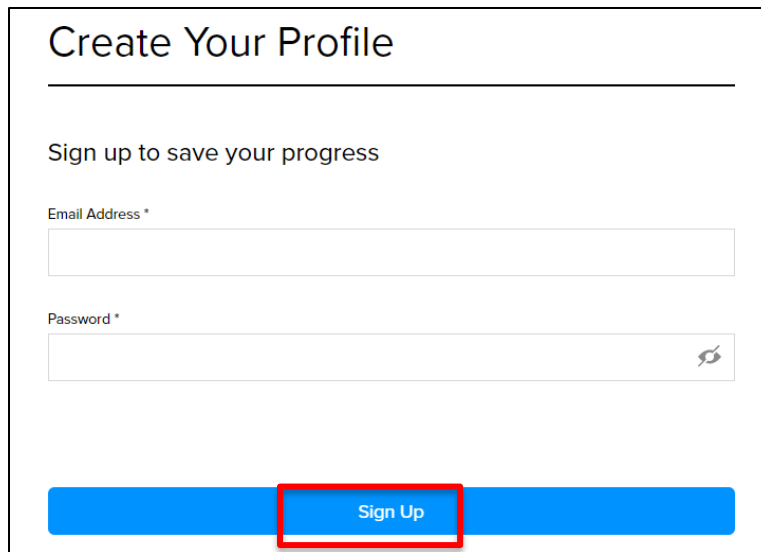

- 2) Enter your name and your library card number in the designated areas. Tap **Submit**.

A screenshot of a sign-up form. At the top, it says "Password is required to view this page". Below that, it asks to "Enter your name in the box below" and provides a text input field. Then it asks to "Enter the number on the back of your library card" and provides another text input field. At the bottom left, there is a "SUBMIT" button highlighted with a red box.

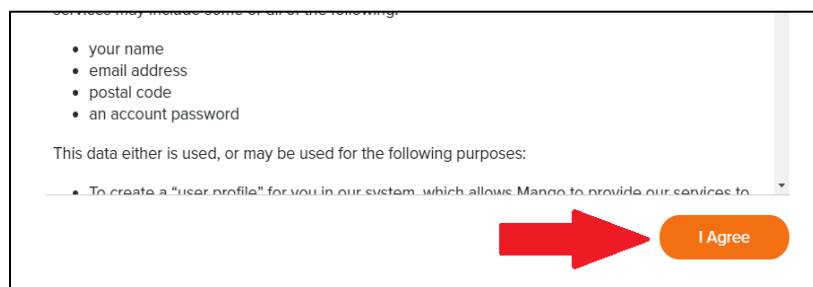

- 3) From the bottom, tap on **Sign up**.

A screenshot of a login/sign-up screen. It features three buttons: a blue "Log In" button at the top, a white "Use Mango As A Guest" button in the middle, and a white "Sign Up" button at the bottom right, which is highlighted with a red box. Below the buttons, there is a link for "Privacy Policy" and a link for "Terms and Conditions".

- 4) To create a *Mango* Profile, enter your email address and a password. Tap **Sign up**.

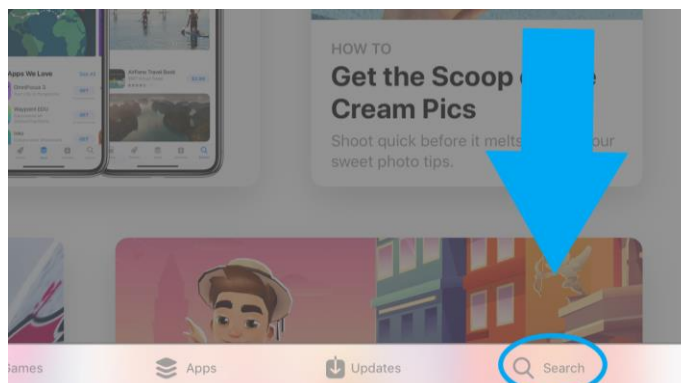

- 5) Read the Data Consent Form and tap **I Agree** to continue.

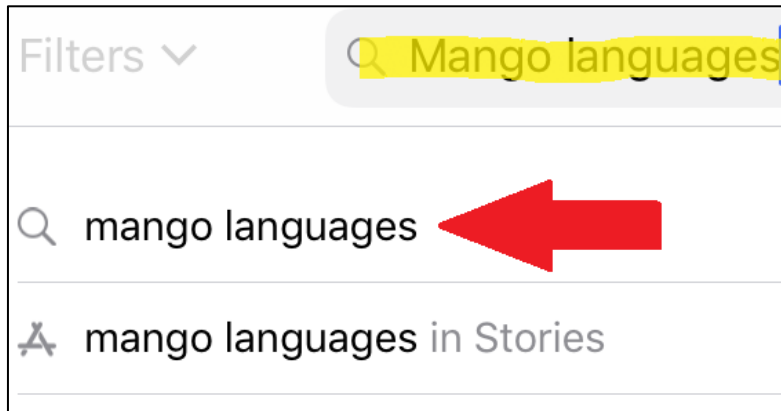

You may continue on your browser by picking a language. If you would like to have your lessons downloaded onto your device, go to Step 2 to install the *Mango* app.

Step 2: Install the Mango app

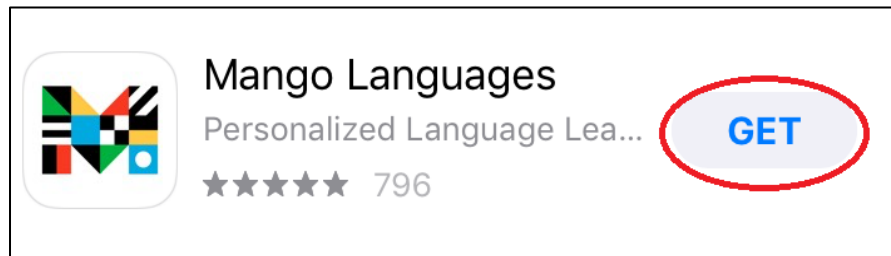

- 1) From your home screen, tap on the **App Store** logo → 
- 2) Tap on the **Search** icon on the bottom right-hand side of the screen.

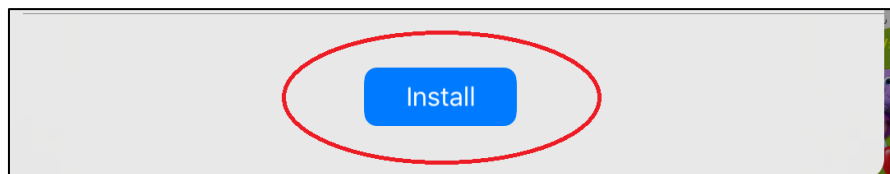

- 3) Tap in the search bar and type in **Mango Languages**. From the drop-down menu, select **Mango Languages**.

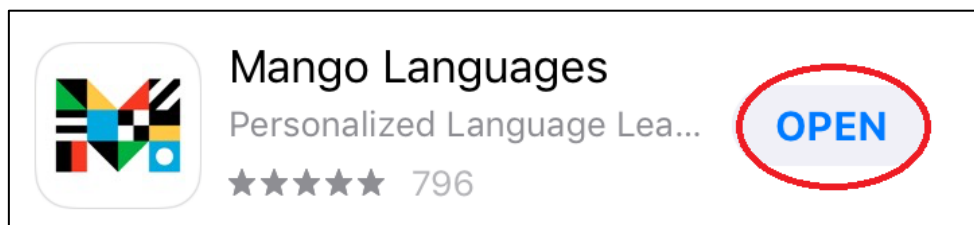

- 4) Locate the Mango app logo  and, on its right, tap **Get**. (You may need to enter your Apple ID and password to authorize the download).

- 5) Tap **Install** to install the Mango app on your device.

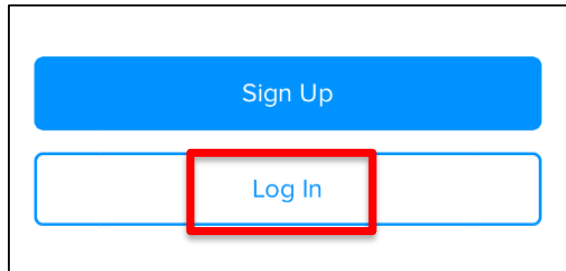

- 6) Once the app is installed, tap **Open**. (You will be redirected to the app)

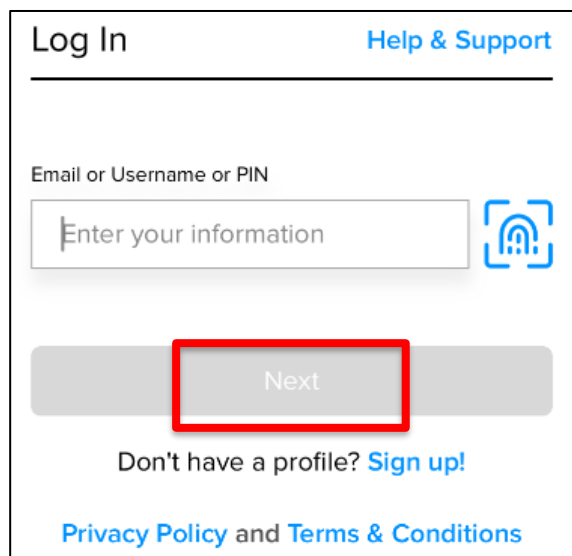

Step 3: Sign in and start using Mango

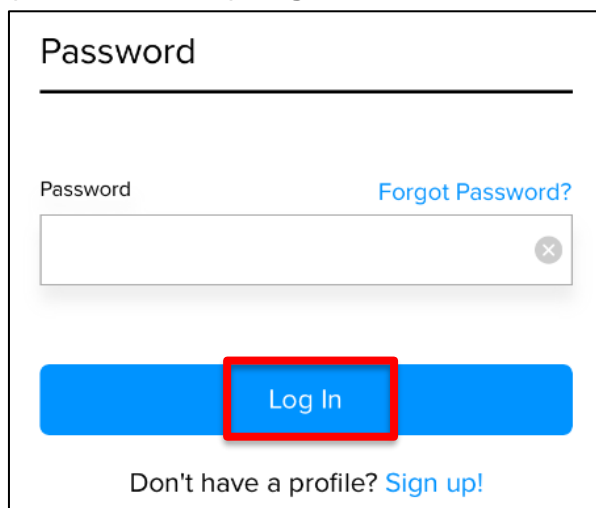

- 1) From the Mango app, tap **Log In**.

- 2) Enter your email address and tap **Next**.

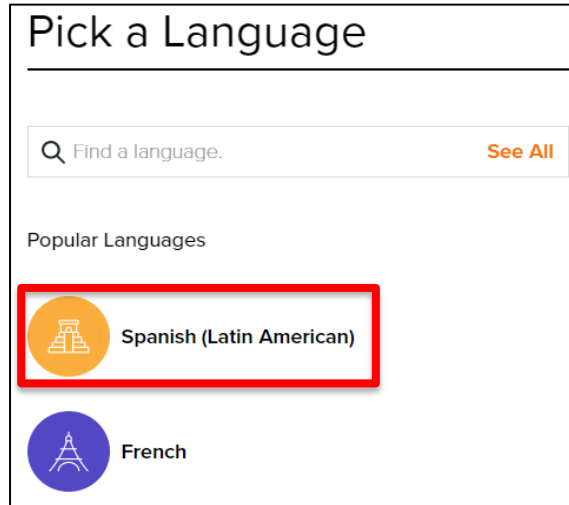

- 3) Enter your password and tap **Log In**.

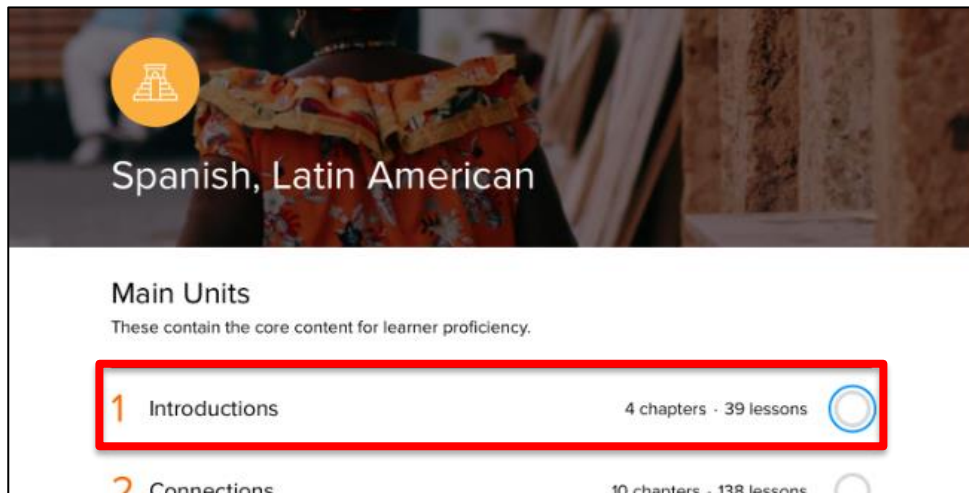

Step 4: Pick a language and start learning!

- 1) Pick a language you would like to learn.

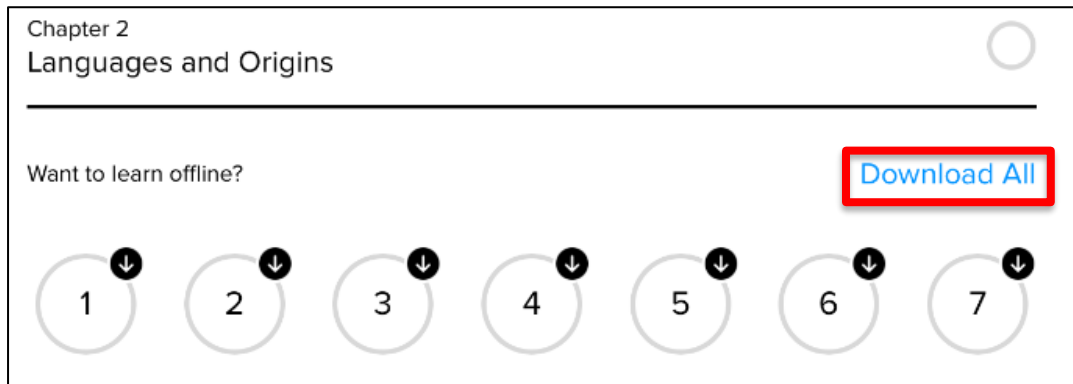

- 2) Tap on the first unit to start the course.

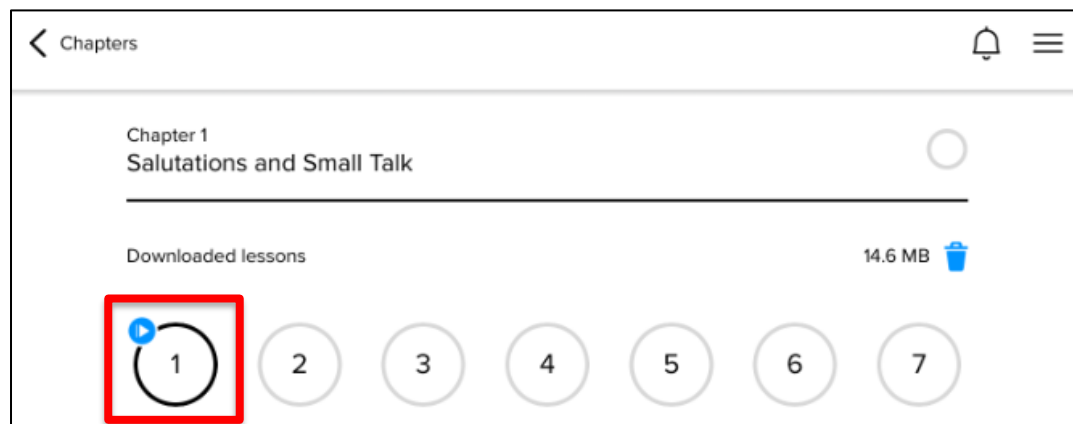

- 3) Tap on the first chapter.

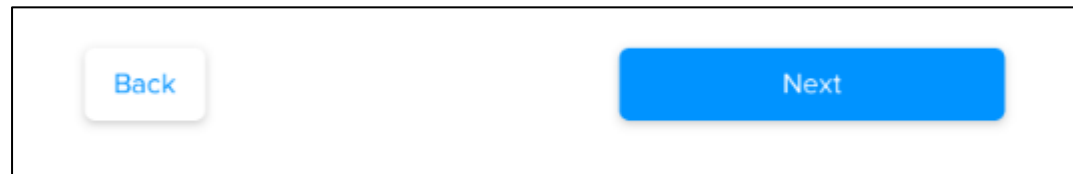

- 4) Tap on **Download all** in order to download the lessons and learn offline (optional).

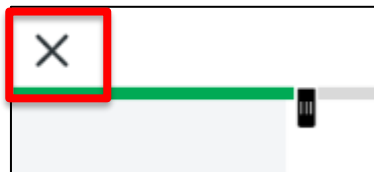

- 5) Tap on the first lesson to start learning.

- 6) Tap on the **Back** and **Next** buttons at the bottom to navigate through the course.

- 7) To exit the course, tap on the **X** at the top left corner.

- 8) To go back to previous chapters, units, or lessons, use the arrow at the top left corner.

Step 5: Switch languages

- 1) To switch to another language, use the arrow at the top left corner to go back to **Languages**.

 Chapters  Units  Languages

- 2) Press on  in the top left corner.
- 3) Pick another language from the list or search for a language.
