

Windows 10 'Accessibility' tools

Windows > Settings > Ease of Access

Pointer & cursor

Change the size and colour of the mouse pointer and cursor.

Make text bigger

Increase text size from 100% to 225% - applies to all Windows items such as folders, toolbars, menus and icons.

Make everything bigger

The Windows Desktop and applications can be increased incrementally from 100% to 175%.

Magnifier

Windows Magnifier makes part or all of your screen bigger so you can see words and images better.

With Magnifier you can:

- Smooth edges of images and text.
- Invert colours.
- Follow the Mouse cursor.
- Follow the Keyboard focus.
- Use keyboard shortcuts to control Zoom, View and automatically turn it on when Windows starts.

Keyboard

Turn on Sticky Keys, Toggle Keys, or Filter Keys

Use Sticky Keys

Press one key at a time for keyboard shortcuts

On

Allow the shortcut key to start Sticky Keys

Press the Shift key five times to turn Sticky Keys on or off

Switch to an on-screen keyboard

Colors & Contrast

Turn on color filters to see elements on the screen better

Turn on high-contrast mode

Ask a reference librarian for more information or assistance.
